Take the High Road.

The SOUTH NORFOLK JORDAN BRIDGE carries you wherever you want to go!

The South Norfolk Jordan Bridge provides a reliable Elizabeth River crossing without congestion, bridge lifts or a toll plaza to slow you down. Use the map below to reroute your commute, and find turn-by-turn directions on the reverse side of this page. Take the high road and bank your time and gas savings on every trip!

Take the High Road.

Enjoy all the benefits of electronic tolling when you travel the South Norfolk Jordan Bridge! No stopping at a toll booth, no delays, no cash payment –all wrapped up in a reliable river crossing.

Passenger vehicles and motorcycles pay the lowest toll with an E-ZPass. Multi-axle vehicles are tolled at rates based on the time of the trip. Visit www.SNJB.net for a complete schedule of current toll rates for all vehicle types.

E-ZPass is valid for travel in 16+ states and can be securely linked to your credit card for automatic payment processing. To register for an E-ZPass account, visit www.EZPassVA.com, call toll-free #877/762-7824 or stop by one of their office or retail locations. A list of participating retailers and locations is available on their website.

No E-ZPass, no problem! Our Pay-by-Plate rates include a small processing fee, and all trips are invoiced by mail approximately 30 days after initial travel. All customer notices are mailed to the address provided by the DMV for the vehicle's registered owner.

Some drivers may prefer to process toll payments via mobile phone using one of our partners such as GoToll or Slora. Pre-registration is required for each program, and additional fees apply to the SNJB's published toll rates.
