

SNJB Quarterly Newsletter: Spring 2021 issue

Pictured above: Ike D. relaxes and enjoys the sunset and serenity from the pier in Elizabeth River Park under the bridge last fall.

In this issue:

- 📍 Join the Great American CleanUp event in South Norfolk
- 📍 Help welcome ForKids to the neighborhood as a volunteer
- 📍 Geocaching --a new way to enjoy the SNJB!
- 📍 The Sun is the star of this special viewing event
- 📍 Help us cheer on local athletes at the Tokyo Olympics this summer
- 📍 Let our drivers know about your 2021 news!

Team Up 2 Clean Up event

Everyone has a role to play in keeping Hampton Roads beautiful. This year, you can make a difference when you join the South Norfolk Civic League from 7 - 11 am on Saturday, March 27th to help collect and properly dispose of litter in our community. [Click here](#) to get more event details and register to help with this annual campaign. [Additional event options](#) are available at locations across Hampton Roads.

ForKids needs your time & talents

As the brand new Center for Children and Families opens its doors next month in South Norfolk, it invites the community to volunteer, tutor and mentor those served by the organization. Volunteers are critical to the ForKids mission to end the cycle of poverty and homelessness across our region. [Visit the website](#) for more information and a list of current openings, then sign up to help!

Geocaching along the SNJB

Remember the fun of scavenger hunts as a kid? Well, now there's an app for that! [Geocaching](#) offers an outdoor adventure for all ages and abilities --just follow the clues, starting right here on the SNJB. There are three caches hidden on or around the bridge, and we're working to craft our own custom cache for your hunting pleasure! Stay tuned...

Safely play "I Spy" with the Sun!

Join the Back Bay Amateur Astronomers on Saturday, March 27th for daytime viewing options of our closest star --the Sun! From 10am - 1pm in Elizabeth River Park, the group uses special solar filters and scopes to safely view sunspots and solar prominences. The free event is open to the public, and masks and social distancing are required.

Local athlete competes in Tokyo

Grant Holloway is headed back to the Summer Games in a Team USA uniform! The Chesapeake hurdler and sprinter attended Grassfield High School and the University of Florida, and he is an eight-time NCAA Champion. Holloway also is the reigning world champion in the 110-meter hurdles and current world record holder for the 60-meter indoor hurdles. We'll be cheering him on from home as he competes in both hurdles and relay events in Tokyo this summer --*good luck!*

Talk Directly to Our Drivers

As drivers head back to the road, business owners should rethink 2021 messaging by taking it to a new level! Our unique, overhead display boards deliver a high level of brand attention without distractions and are the first custom display on a bridge/tunnel in the Hampton Roads region.

Reserve one of our full-color LED display boards for a day, week or month at competitive rates and visible to an average of 8,000+ vehicle trips per day. For more information and ad specs, please e-mail [our advertising team](#).

About the SNJB

The South Norfolk Jordan Bridge is a high-level, fixed span bridge that links Chesapeake and Portsmouth across the Elizabeth River's Southern Branch. Its soaring height eliminates bridge lifts and railroad crossings that stop traffic. Plus, the electronic collection system keeps traffic flowing smoothly without the need to stop at a toll booth. For more information about this privately-built and operated bridge, please visit our website.
