Congratulations to Mike C.!

Earlier this summer, we launched the **On the Road Again summer giveaway** to recognize drivers continuing to travel with us during the pandemic as well as those just returning to work.

We awarded an overstuffed car care prize package valued at more than \$125 to one lucky driver selected from all eligible E-ZPass trips. In addition to a collection of specialty car care items and SNJB swag, our winner also received a certificate for a complimentary oil change and tire rotation from our friends at Canady & Branch Complete Auto Care. *Thanks for traveling with us!*

Back-to-school will definitely look different this year, and many parents are looking for options to complement an online classroom. Add some nature exploration to your little ones' schedules with the new **Forest School program** at Paradise Creek Nature Park. Designed for preschool - 2nd grade, a pair of four-week sessions are offered in October. Get more information, and [register here](#).

For the eighth consecutive year, we have partnered with the Buffalo Family & Friends organization to support local children by donating a specialty school supply item. This year's **mood erasers change colors** from blue to white in the warm hands of a student at work. Best wishes to all students returning to classes this fall, at home or on campus!

About the SNJB

The South Norfolk Jordan Bridge is a high-level, fixed span bridge that links Chesapeake and Portsmouth across the Elizabeth River's Southern Branch. Its soaring height eliminates bridge lifts and railroad crossings that stop traffic. Plus, the electronic collection system keeps traffic flowing smoothly without the need to stop at a toll booth. For more information about this privately-built and operated bridge, please [visit our website](#).
